

Mission: To enhance the region's economy and quality of life by providing efficient cargo and air passenger access to national and global markets.

April 1, 2009

Mr. David Lacey
Oregon Department of Environmental Quality
2020 SW Fourth Avenue, Suite 400
Portland, OR 97201-4987

**Subject: Swan Island Upland Facility, Operable Unit 2
Riverbank Soil Sampling and Pipe Abandonment
ECSI No. 271**

Dear David:

The Port of Portland (Port) hereby submits the Riverbank Soil Sampling and Pipe Abandonment letter report prepared by Ash Creek Associates for the Swan Island Upland Facility, Operable Unit 2 (Report). The Report is submitted under the requirements of the Voluntary Cleanup Program Agreement for Remedial Investigation, Source Control Measures, and Feasibility Study, effective July 24, 2006, between the Port and the Oregon Department of Environmental Quality (DEQ). The Report follows the scope of work approved by DEQ in a letter dated September 5, 2008.

Please call me at (503) 944-7676 if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Kelly Madalinski", is written over a light blue horizontal line.

Kelly Madalinski
Environmental Project Manager
